

Reproductive Health Act Public Forum

The Reproductive Health Act will ensure that abortion remains safe, accessible, and legal in New York State. Last year it passed the Assembly, but despite tremendous grassroots advocacy, this critical legislation remained stuck in the Senate Health Committee. Join prominent advocates to discuss the importance of modernizing New York State law in the face of federal threats, and learn what you can do to help pass the Reproductive Health Act in 2018.

**Tuesday
November 14th
6:30pm to 8:30pm**
