UPDATE: Additional days of work*

Dear Neighbors of Washington Irving Educational Complex (M460),

The New York City School Construction Authority (SCA) is issuing this advisement as part of the ongoing work at Washington Irving. NYC DOT has issued a crane-operating permit for crane work performance on the following days and hours:

Saturday	July 1,	2017 - 9:00am - 4:00pm
Monday	July 3,	2017 - 9:00am - 4:00pm
Tuesday	July 4,	2017 - Holiday Observed
Wednesday	July 5,	2017 - 9:00am - 4:00pm
Thursday	July 6,	2017 - 9:00am - 4:00pm
Friday	July 7	2017 - 9:00am - 4:00pm

The crane work will take place on East 17th street between Irving Place and Third Avenue. This will necessitate closing the street for the duration of the work. The crane will operate on the north elevation of Washington Irving, lifting materials and removing debris from roof #1. All safety protocols will be followed during the duration of this work. There will be instances of noise; we will work to minimize it as much as possible.

Thank you for your cooperation during this important work at Washington Irving High School.
