

Service Changes Start April 26

Plan Ahead

Nights and Weekends:

Use alternate service on **M J G** and **7** subway lines and **M14A/D** and **Williamsburg Link** buses if possible

- **L** service will continue as normal during the busiest times during the weekdays
- On nights and weekends, alternate service options using the **M J G** and **7** subway lines and **M14A/D** and **Williamsburg Link** buses will provide a faster, more reliable trip for most people
- If you do go to an **L** station, be prepared for crowded conditions and lines to board the **L** train
