

Become a Recycling Champion

Learn How To Organize Your Building
For Reuse, Recycling, And Composting

Our society faces unprecedented and interconnected challenges of solid waste pollution and climate crisis. Residential buildings in NYC can be part of the solution. At this event, building owners, property managers, superintendents, and residents can get practical tools, strategies, & inspiration for creating a culture of reuse, recycling, and composting in multifamily buildings.

Monday
October 7th
6pm to 8pm

Loft at Marble Church
274 Fifth Avenue
Btwn 29th & 30th Streets
Manhattan

Speakers will include:

- **Jacquelyn Ottman**
Chair, Manhattan Solid Waste Advisory Board
- **Sem Sepulveda**
Outreach Specialist, NYC Department of Sanitation
- **Tom Outerbridge**
General Manager, Sims Municipal Recycling
