#### Highlights

1. We've recently upgraded our police accountability reporting tool to make it easier for community members to report police violence or misconduct. Previously a complainant would have to dial our hotline (212) 335-8987, but now they can send us photos and videos directly at (<https://www.manhattanda.org/report-police-misconduct/>)
2. Our signature youth program, Saturday Night Lights, is expanding to 100 locations this summer amid the rise in gun violence across NYC. SNL began with just 1 gym in Harlem and now has 20 locations in all five boroughs. We are proud to fund world-class sports and fitness training in safe spaces for youth ages 11-18 across the five boroughs. To find the nearest site, please visit our website at [manhattanda.org](https://www.manhattanda.org) (direct link is <https://www.manhattanda.org/our-work/community-partnerships/saturday-night-lights/>)
3. Manhattan DA DATA Dashboard is a new created website aiming to provide the public with comprehensive data to increase transparency about the Manhattan D.A.'s operations and enhance understanding of the justice system. Here, you will find up-to-date information about the Office's prosecutions, arraignments, dispositions, and learn more about the Manhattan D.A.'s efforts to ensure public safety and promote justice for all. You can also visit the Resources tab for an educational overview of the criminal justice system, a glossary of key terms, and information about how to use this website. The Office welcomes your feedback as it continues to enhance this site. Feel free to visit the website at [data.manhattanda.org](https://data.manhattanda.org) and provide feedback at [datadashboard@dany.nyc.gov](mailto:datadashboard@dany.nyc.gov).
