### Highlights

- 1. Welcome Back:** Our office hopes that everyone had a refreshing and pleasant summer! We are excited to hit the ground running with CB6 this Fall and continue working to improve our community.
- 2. E-Bike Safety Legislation Introduced:** Assemblymember Bores has introduced two new bills aimed at making our streets safer. [A07628](#) deals with how accident data is collected, as the current reporting form does not include a section for e-vehicles of any kind. This bill requires that accidents which involve an e-vehicle be recorded properly. [A07938](#) will mandate businesses which employ e-bike drivers to require those drivers to watch an online safety course video annually.
- 3. Community Events:** Assemblymember Bores attended a broad range of community events this summer, including several with members of Community Board 6 such as National Night Out Against Crime hosted by the 17th precinct. Yesterday, the Assemblymember and our staff enjoyed seeing 'My Fair Lady on the River!' presented by Sutton Place Parks Conservancy and JWM, an event he was proud to help sponsor.
- 4. Mobile Office Hours:** Our office has continued to host mobile office hours throughout the district, to great success! Our schedule for the month of September is as follows:
