### Highlights

- 1. Town Hall on October 25th:** We are incredibly excited to announce our office will be hosting its first Town Hall! Assemblymember Bores will be joined by State Senator Krueger, Councilmember Powers and other guests. The event will take place on Wednesday, October 25th, at the CUNY Graduate Center's Elebash Hall. Further details and registration can be found at this link (questions can be submitted for AM Bores after signing up): [TOWN HALL REGISTRATION](#)
- 2. Virtual Community Board Meetings Legislation Introduced:** AM Bores has introduced [A8049](#), which will remove the in person meeting requirement for Community Boards. The bill is tailored to specifically apply only to Community Boards in New York City. It does not require boards to meet virtually, but will allow CBs to have the option of meeting virtually if they wish.
- 3. Moped Registration Legislation Introduced:** In addition to AM Bores' e-bike safety legislation, he is also working on a bill which requires mopeds to be registered at the time of purchase. Sellers will be required to either: require proof of registration at time of purchase, or register the moped for the purchaser at the time of purchase.
- 4. Mobile Office Hours:** Our office has continued to host mobile office hours throughout the district, to great success! Our schedule for the month of October is as follows:

**Tuesday, 10/10:** 2:00 PM - 4:00 PM, Trader Joe's 1st Avenue and E 59th Street

**Monday, 10/30:** 2:00PM - 4:00 PM, Ruppert Park, 2nd Avenue and E 90th/91st Street |

***AM Bores will be present and serving cider to attendees on 10/30!***
