**Highlights**

- 1. Upcoming Shred Event on Tuesday, November 14th:** AM Bores is excited to partner with Senator Jose Serrano to host a community shredding event! The DSNY shred truck will be available from **8AM-12PM, at E 91st Street and 2nd Avenue**. If anyone is unable to attend but would like documents shredded, they may drop them off at our District Office, and we will have them shredded!
- 2. A Successful Town Hall :** Thank you to everyone who attended our October 25th Town Hall! The event was a great success, with many members of CB 6 and District 73 in attendance, and updates from all of our local elected officials. The Assemblymember fielded a wide swath of questions and topics from audience members, and a good time was had by all. Special thank you to the CUNY Graduate Center for being our gracious hosts!
- 3. Stop Civil Discrimination Legislation Introduced:** AM Bores has introduced [A8081](#), which will require proof of service to include perceived gender and race in the description of the person to whom a summons was delivered. The previous requirements for providing a description included outdated and offensive language, which will be updated and changed following the passage of the legislation.
- 4. Hotline for Reporting Hate Crimes:** Governor Kathy Hochul has a new hotline for reporting hate crimes to the State Division of Human Rights. Dial **844-NO-2-HATE (844-662-4283)** or visit <https://dhr.ny.gov/nohate> to report incidents to the NYS Hate and Bias Prevention Unit.
